GYM RULES

For Gymnasts

1. Gymnasts are expected to arrive on time and stay until the end of their practice time. If they are unable to do so their coach must be informed before practice starts.
2. Gymnasts should stay inside until they are picked up after practice. They are not allowed to go outside or wait in the parking lot.
3. Gymnasts are expected to wear appropriate attire. We recommend shorts that DO NOT have pockets for boys. Girls should wear a leotard, without shorts or pants.
4. Gymnasts should bring their grips to each practice.
5. Gymnasts are expected to be respectful and listen to their coaches. They are also expected to follow all safety rules while they are inside the facility.
6. If there are any problems or concerns, gymnasts should let their coaches know so that the coaches can handle any problems. One of the coaches will call parents if the gymnast is sick, injured, or needs to be picked up for any other reason.
7. No food or drink is allowed inside the gym, including lockers, except for water bottles that can be closed.
8. Gymnasts are expected to keep their lockers clean. Lockers are for storage of grips, water bottles, cell phones, and wallets. Coaches are free to check lockers for cleanliness at random times. Gymnasts that consistently do not keep their locker clean may lose their locker privileges.
9. Cell phone use during practice times is not allowed. Gymnasts are expected to leave their cell phones in their lockers and not use them until practice has ended. Gymnasts that use their cell phones during practice without prior permission from the coaches will be asked to leave their cell phones in the front office until practice is over.

For Parents

1. Parents should make sure that their gymnasts arrive on time and wearing proper attire.
 2. To limit interruptions during practice, parents should schedule a time before or after practice to talk to the coaches. They can also e-mail the coaches directly if they have any questions or concerns about practice times, levels, specific skills, competitions, or anything that occurs during practice. Parents should e-mail the office for any questions about tuition payments or competition fees.
 3. If a gymnast must leave early or will miss practice, the coaches should be told before practice starts in person, by text, or by e-mail.
 4. Parents should watch from one of the viewing areas if they are staying during practice.
 5. Parents should come inside to pick up their child if they are dropping off and not staying. Gymnasts are not allowed to wait outside to be picked up.
 6. Parents are required to discuss any injuries with their gymnast's coach, even if they were not sustained during practice. This is to ensure that coaches are aware of any limitations or problems that may arise during practice and to minimize the chance of further injury (or exacerbation of the injury).
